

Taittinger Sparkles at Future Conditional Press Night

10th September 2015 was the official press night for The Old Vic's Future Conditional play. Taittinger was enjoyed by guests attending the evening at a Champagne reception held at House of Vans.

Future Conditional is a bracingly topical and boisterously funny new play directed by Matthew Warchus and starring Rob Brydon, with a cast of 24 young performers.

Matthew Warchus took over from Kevin Spacey earlier this year as Artistic Director. Taittinger is a corporate sponsor at The Old Vic.
