

Cabernet Sauvignon 2022

6x75cl

Winemaker Notes

This bright, deep ruby-red Cabernet Sauvignon is very appealing on the nose with a complex character of black fruits. Pleasing aromas of black cherry, raspberry, tea leaf, tobacco, clove, chocolate and a soft smoky touch appear as it opens. This is a wine with great balance and structure, and its firm, fine-grained tannins contribute to its elegant texture, complemented by a full mid-palate and delightful juiciness.

Vineyard

The vineyard is planted on alluvial deposits with a high percentage of stones and gravel beneath a layer of loam.

Winemaking

The grapes were fermented in stainless steel tanks for 8 to 28 days at temperatures that fluctuated between 24° and 28° C. Aged for 14 months in French oak barrels, 30% of which were new

Vintage

A dry and slightly cold season with low yields delivered healthy grapes and wines with tremendous concentration and structure. The reduced precipitation and excellent health conditions enabled us to produce fresh and vibrant wines with good aromatic intensity that reflect the characteristics of our terroir.
