# Cune Gran Reserva 2015

## Winemaker Notes

Intense dark cherry colour. Attractive aromas of blackberries, blackcurrants and raspberries, blended together with hints of spice and vanilla. Complex and elegant on the palate with fine tannins and a good length.

## Vineyard

Made from hand selected grapes from our vineyards in Rioja Alta

## Winemaking

The colour and structure is obtained after alcoholic fermentation maceration. The malolactic fermentation makes the wine suitable for ageing in American and French oaks. Finally the wine was left to age in our centenary cellars where it remained for a minimum of 36 months under optimum temperature and humidity conditions until being released to the market.

## Vintage

The 2015 harvest was one of the best in the last few years. The weather conditions were optimal during the vine cycle and there is excellent quality shown across the vineyards.

## Food match

Grilled and Roasted Red Meats

A perfect companion for any dish of the Mediterranean diet
