Winemaker Notes

Clean and bright cherry red colour. The nose is intense, floral and mineral. The palate is fresh, with good acidity, concentration and a long finish.

Vineyard

The soil is granitic and because of its mountainous location, the only way to work the land is Hand or with the help of animals. Sustainable viticulture is carried out.

Winemaking

Hand harvest into 15kg crates permits selection of the grapes in the vineyard and is then followed by whole bunch fermentation in small oak vessels. Fermentation is completed using the yeasts naturally present on the grapes.

Vintage

The 2021 harvest took place in the first fortnight of September and was marked by a cool summer with average temperatures during the day and cool temperatures at night, resulting in lower alcoholic and more homogeneous phenolic ripening, making it a healthy, Atlantic and very elegant vintage. Slightly lower yields than 2020.

Food match

Great with grilled meats
