Maruxa Godello 2020 6x75cl

Winemaker Notes

Bright straw yellow in colour. On the nose, intense and varietal, reminiscent of mature white fruit and very mineral. Balanced, silky, fresh and persistent on the palate.

Vineyard

Soils in these high altitude vineyards with a 39% inclination are mostly slate.

Winemaking

Hand in cases of 15kgs to preserve the integrity of the grape. Once the grape arrives at the winery they're cooled to avoid oxidation. Alcoholic fermentation takes place at controlled temperatures to ensure the wine preserves varietal aromas.

Food match

Grilled and Roasted White Meats

A perfect match for seafood, fish, vegetables, white meats and stews
