Cabernet Sauvignon Reserva 2021 6x75cl

Winemaker Notes

This is a Cabernet Sauvignon of vivid ruby-red colour. Very intense and fresh on the nose, it shows aromas of berries such as raspberries and blueberries along with floral notes and touches of tobacco leaf that make it very complex. On the palate, its structure is rich and well balanced, with fresh-fruit flavours and a vibrant acidity that stands out.

Vineyard

Sourced from blocks in our vineyards with varying soil types: deep granite with layers of clay, very deep sandy-clay colluvial soil & moderately deep clay colluvial soil with embedded stone.

Winemaking

Fermented in stainless steel tanks with soft extraction of the skins. 30% aged for 6 months in second and third use barrels.

Vintage

The 2021 season began with a winter of average rains and a warm spring; however, this condition changed drastically during summer, presenting temperatures well below the historical average and numerous cloudy days. The biggest surprise came at the end of January, with abundant rainfall that set off alarms from the Central Valley to the South. The months of February and March were cold, and the ripening advanced slowly. During the last week of March, we had the last rays of sunlight necessary to reach the desired ripeness. The cold summer condition resulted in moderate alcohol and vibrant acidity, producing wines of excellent colour and aromatic intensity, fresh and balanced.

Food match

Grilled and Roasted Red Meats

Great match with homemade beef burgers & chips
