Tributo 'Single Vineyard' Cabernet Sauvignon 2018 6x75cl

Winemaker Notes

Of ruby-red colour, the present version of this wine is elegant and expressive. With a great fruit intensity, its aromas of blackberries, currants and cassis show up swiftly on the nose, giving way to spicy notes of cinnamon, black pepper and tobacco leaves. Slight hints of mocha, complemented by sour cherries emerge little by little as the wine opens up in the glass. It feels well balanced and with great volume. Its soft tannins and crisp acidity give shape to an impressive structure on the palate and allows predicting a long ageing potential.

Vineyard

From the Caliterra vineyard in the Colchagua Valley.

Winemaking

100% was aged for 12 months in French oak barrels from 2nd to 5th use

Vintage

Somewhat different from the previous vintage, the 2018 season blessed us with ideal climatic conditions that favoured an increase in the yields of our vineyards. Temperatures ranged among the historic parameters, concluding the season of moderate temperatures, allowing a very balanced ripeness and a beautiful, even harvest, along with perfect sanitary conditions in our grapes and generous in complex flavours.

Food match

Grilled and Roasted Red Meats

Just perfect with a simple steak
