Tributo Gran Reserva Malbec 2020 6x75cl

Winemaker Notes

Intense pomegranate red colour, this Malbec confirms the fresh and vivid style already seen in the past versions. Medium intensity on the nose, its very special bouquet opens up with floral and mineral notes and aromas of berries that give way to sweet almonds and fresh tarragon. It feels fresh on the palate, with medium concentration but with great vivacity. The elegance of this Tributo Malbec is complemented with soft tannins, and its crisp acidity allow us to foresee a good ageing potential.

Vineyard

Sourced from our vineyard blocks with deep, colluvial soil with a clay-loam profile, embedded with sharp schist stones.

Winemaking

Fermentation took place in 84% in stainless steel, 16% in previously used French oak barrels using 100% native yeasts.

Vintage

The 2020 vintage was extremely early, with contrasting weather conditions. A very challenging vintage with lower yields.

Food match

Grilled and Roasted Red Meats

Enjoy with a classic Brussels pâté & warm toast
