Tributo 'Single Vineyard' Sauvignon Blanc 2021

Winemaker Notes

It displays medium intensity as well as soft citric and herbal notes which are the first to stand out on the nose. Aromas of white fruits, such as Williams pear, complete its ample aromatic range. Very balanced and mineral on the palate, the wine has a crisp acidity that highlights its flavours. Its long persistence, as well as its great freshness and vivacity, make this a complex wine, ideal for enjoying in everyday life.

Vineyard

The Colchagua Valley is home to the Caliterra Estate, located 200 km south of Santiago and 60 km from the coast at 150 metres above sea level. Caliterra Estate has approximately 1,085 ha with approximately 75% of untouched land and Mediterranean climate, where cool nights and gentle breezes temper the sun's energy creating perfectly ripe, intense, concentrated and balanced wines.

Winemaking

Fermentation: 80% Stainless Steel Tanks 11% in previously used French oak barrels. Barrel Ageing: French Barrels of 5th use for 2 months.

Vintage

2021 was a fresher year than 2020. Much needed winter rain helped with water supplies. Wines produced are fresh, elegant and aromatic.

Food match

Grilled and Roasted White Meats

Enjoy with roasted artichoke with fresh mint
