Ad Hoc Hen & Chicken Chardonnay 2024 6x75cl

Winemaker Notes

A pale, beautifully balanced chardonnay with hints of vanilla on the nose and a winning cool climate acidity. Careful oak treatment has resulted in a wine of depth and balance.

Vineyard

Northern aspect with Genassic soils.

Winemaking

Fruit was hand picked, whole bunch pressed, fermented with natural yeasts and aged in new and two-year-old French oak prior to bottling.

Vintage

The 2024 growing season was marked by favourable conditions that supported strong vine growth and fruit development. Spring provided a solid foundation with moderate temperatures ranging from 18 degrees to 25 degrees and consistent, though slightly below-average, rainfall. This period of milder weather allowed for robust growth and a healthy flowering, essential for the quality of the fruit set. The moderate rainfall during spring, averaging between 70-110mm per month, ensured that the soil retained enough moisture, allowing a balanced growth environment for the vines and reducing early season irrigation needs.
