Winemaker Notes

Almost transparent in colour, this wine shows great purity and refinement. A fragrant bouquet, with flavours of lemon peel and bath salts all carried along by a soft texture and long fineacid.

Vineyard

Various soils with a Northern aspect.

Winemaking

Grapes were selected from various sites in the Great Southern. Great attention to harvest dates along with gentle de-stemming, minimal use of sulphur and using free-run juice from select parcels of fruit ensured the elegance and purity of flavour was maintained.

Vintage

The 2024 growing season was marked by a combination of cool, wet conditions early in the season, followed by a warm, dry finish - ideal for premium wine production. The warmer weather facilitated the gradual development of complex flavours and balanced acidity in the fruit, while the minimal rainfall reduced the risk of disease, contributing to high-quality fruit.
