Laissez Faire Syrah 2021

6x75cl

Winemaker Notes

A bouquet of earth, black cherries and spices with a subtle mineral/slate quality, oak providing support. Red flowery fruit flavours dominate, with subtle slate like minerality. All framed by a light structure and fine tannins.

Vineyard

Granite-based soils with Northern-facing aspect.

Winemaking

Grapes were hand-harvested and sorted and naturally fermented. The wine spent six months in four-year-old French oak prior to bottling. As the name suggests, no acid, enzymes or yeast were used in the making of this wine.

Vintage

An exceptional vintage with rain falling at just the right times, the Syrah from Frankland showed exceptional tannin and colour.
