Winemaker Notes

Linear and fine with lingering acid. Stone fruit, lemon and ginger finishing with a chalky texture.

Vineyard

Karri Loam soils with a Northern aspect

Winemaking

Made in a clay cement ovoid tank - a giant "egg" - the lees are continuously forced upward by an internal current resembling a vortex. This gives the wine voluptuousness, purity and texture. There is no added tannin, acid or animal fining products. There is zero sulphur used throughout the winemaking and only a minimal amount at bottling.

Vintage

The Pemberton region experienced similar conditions to Margaret River, with excellent winter rains followed by extended periods of cool and dry weather. This allowed for grapes to ripen steadily and with excellent balance and depth, particularly in the standout Chardonnay.
