Uovo Riesling 2022 6x75cl

Winemaker Notes

Long lingering acid. Lemon, ginger and citrus leaf flavours with a juicy texture.

Vineyard

The fruit was hand-picked from the Riversdale vineyard in Frankland River, where the aspects are south-facing. The soil consists of gravel and laterite soils.

Winemaking

Made in a clay cement tank - a giant "egg". There's no added tannin, acid, or animal fining products. There is zero sulfur used throughout the winemaking, and only a minimal amount at bottling.

Vintage

Riesling performed exceptionally with very good flavour, acidity and freshness. A mild wet winter followed by dry and warm conditions leading up to harvest resulted in a season which had a long but gentle finish.
