Estate Reserva Chardonnay 2024 6x75cl

Winemaker Notes

The Estate Reserva Chardonnay features a beautiful straw-yellow colour with golden highlights. On the nose, it reveals enticing floral notes intertwined with tropical fruits and a refreshing hint of citrus that enhances its complexity. On the palate, citrus flavours take centre stage, followed by nuances of ripe pear, dried fruits, and a subtle touch of marzipan. It opens with a fresh profile, offering excellent breadth and a vertical structure that underscores its balance, culminating in an elegant and persistent finish.

Vineyard

The grapes for our Chardonnay Estate come from our vineyards in the Casablanca Valley, a cool climate area on the north-western side of Chile's coastal range less than 30 kilometres from the Pacific Ocean. Pacific breezes and early morning fog, make this property ideal for producing cool climate varietals such as Chardonnay.

Winemaking

This Chardonnay displays a beautiful yellow straw colour with greenish hues. On the nose, it reveals intense aromas of tropical fruit such as pineapple and passion fruit, framed by light toasted oak notes. Fresh and expressive fruit, this Chardonnay has a beautiful texture and good depth. Its vivid acidity makes it a fresh and juicy wine, with a long and memorable finish.

Food match

Greek salad, salmon and chicken salad
