Estate Reserva Pinot Noir

2020

Winemaker Notes

The wine has a beautiful ruby red colour and presents delicate aromas of red fruits such as strawberries, cherries, and plums, along with delicate touches flowers and balsamic. It is fresh and juicy on the palate, with elegant tannins and bright acidity with great persistence.

Winemaking

The grapes for our Estate Pinot Noir were picked, destemmed, crushed, and deposited into open-topped stainless-steel tanks for fermentation. 50% of the wine was later aged in French oak barrels for 6 months.

Vintage

The 2020 harvest was a challenging one - frost, drought and summer heatwaves were all however overcome and although quantity was down, the quality of grapes was excellent.
