Pinot Gris 2023 6x75cl

Winemaker Notes

This is a dry style Pinot Gris with aromas and flavours of Nashi pear, peach, citrus and honey. A small portion of barrel fermentation has added richness and complexity to this delicious and highly drinkable wine.

Vineyard

This is a single vineyard wine from the Keltorn Vineyard situated near Maraekakaho on a stony river terrace formed by the Ngaruroro River. With warm daytime temperatures and cool nights this is an ideal site to grow premium Pinot Gris. The old vines are spur pruned and intensively managed to provide ripe fruit from low yielding vines.

Winemaking

The grapes were harvested in the morning while temperatures were cool and processed as quickly and gently as possible to avoid colour and tannin pick up from the pink Pinot Gris berries. The juice was settled bright before fermentation in both tank and large old oak barrels. The finished wine was left on its yeast lees with regular stirring until bottling (8%).

Vintage

Cooler conditions and unprecedented rainfall through the growing season, along with the effects of Cyclone Gabrielle have been particularly challenging and required vigilant vineyard management. For both Hawke's Bay and Gisborne, whilst the season has not delivered to the high-quality standards required for our top tier wines, and these won't be made; there are plenty of clean, fruit driven components to compile our main blends. It will be a vintage of elegance rather than power, where great vineyard sites, along with a highly experienced winegrowing team have delivered an amazing result given the challenges of the season.

Food match

Very versatile. Can be enjoyed on its own or with soft cheeses, pork, chicken and seafood dishes.
