

GAJA

Camarcanda 2020 6x75cl

Winemaker Notes

The typical nature of white soil and the abundance of stones are essential to give the wine a solid and complex structure. A nose with flowery, red fruit and root notes, typical of the Mediterranean scrub. The taste is rounded, with a dense texture and a remarkable mineral character. Lingering finish with smooth tannins

Vineyard

The grapes are grown in vineyards planted on white soil which is rich in limestone, firm clay and stones.

Winemaking

The two varieties, Cabernet Sauvignon and Cabernet Franc, are fermented and macerated separately for around 15 days. After 12 months of ageing in oak and further 6 months in concrete vessels, they are blended and aged for several months in the bottle before being released.
