IDDA Etna Rosso 2022 6x75cl

Winemaker Notes

Intense and bright ruby color. Violet, black cherry and mulberry notes rise from the glass. IDDA has a clear expression of ripe and sweet fruit on the palate, yet shows accents of tomato leaves and oregano. With a charming and juicy body, characterized by harmony and freshness, with ripe and well-integrated tannins. The finish is lingering.

Vineyard

The Gaja and Graci families own 20 hectares of vineyards, between 600m and 800m a.s.l., in the village of Belpasso and Biancavilla. The grape varieties currently planted are Nerello Mascalese and Carricante

Winemaking

Fermentation and maceration for around three weeks partially in oak and in concrete vats. Followed by 24 months of ageing in oak and concrete

Vintage

The 2022 vintage experienced a mild winter with regular rainfall. From the end of May onwards, warm and dry weather pushed towards regular ripening. Late August saw some rain that helped to mitigate the vines from experiencing water stress. The dry and warm weather of September and October with very little rainfall ensured perfect grape health and sumptuous ripening that has given us complex and generous wines.

Food match

Great with Italian-style beef stew
