

Sancerre Le Rabault Rosé

2017

Winemaker Notes

Bright salmon colour, characteristic of pinot noir rosés. Floral notes of rose and peony at first, followed by raspberry. Vivid and pleasant with an elegant and lovely finale.

Vineyard

The majority of the grapes are grown on flint rich soils. All vineyard processes are carried out in an environmentally-friendly manner, adapted for each terroir.

Winemaking

The grapes are sorted and de-stemmed, before being pressed immediately on arrival to the winery.

Vintages

Rainfall was low in 2017 so yields were low but fruit is full of flavour.

Food match

Grilled and Roasted White Meats

A refreshing match to deli meats and chicken as well as slightly spiced asian cuisine.

Grapes

100% Pinot Noir

Region/Appellation

Sancerre

Alcohol by volume
