Laissez Faire Field Blend 2023

6x75cl

Winemaker Notes

A wine with strong aromas of citrus, passionfruit, mineral and rosewater. Layers of pear, nougat, Turkish delight and citrus all work together. The palate is soft and refined, finishing with a subtle but drying acidity.

Vineyard

As the name suggests, the grapes for this wine were harvested at the same time and blended in the field.

Winemaking

Several parcels were fermented on skins for five days. No additives of sulphites, acids or enzymes.

Vintage

The 2023 vintage in Western Australia produced some exceptional wines, with cool temperatures throughout the region allowing grapes to ripen slowly and evenly, resulting in wines fully developed flavours and excellent acidity in the white wines.
