Winemaker Notes

Beaune 1er Cru "Couchereaux" has a deep ruby colour. Thanks to its exposure, it develops powerful aromas of matured red fruits. It is a structured wine, with good tannins, rich and able to age.

Vineyard

Beaune vineyards are the most extensive of the Côte de Beaune, between Savigny to the North, and Pommard to the South. There are no Grands Crus vineyards in this commune, but 36 Premiers Crus.

Winemaking

This wine is fermented in tanks, and then aged in barrels for 12-15 months before bottling.

Food match

A good match to coq au vin
