Chablis Blanchot Grand Cru

2019 6x75cl

Winemaker Notes

This very elegant Chablis is bursting with white flowers and stone fruits aromas. Round and subtle on the palate, this wine has a long finish with a stony character and a fresh acidity that leaves you wanting more.

Vineyard

7 climats can be called Grand Cru in Chablis : Preuses, Bougros, Les Clos, Grenouilles, Blanchot, Valmur and Vaudésir. Those vineyards are all situated on the right side of Le Serein river, on the hill. This situation gives a strong and full-bodied character to the wine.

Winemaking

After a soft pressing, part of the juice is fermented in "double barrels" of 406 litres produced by our cooperage Cadus. The other part is vinified and aged in stainless steel vats. Aging usually lasts 13 to 15 months on fine lees before bottling.

Vintage

A season of extreme summer temperatures and one of the hottest and sunniest on record which led to lower yields. However, whilst yields are low, the quality and concentration is outstanding, with wines of great character.

Food match

Crab, scallops or poached salmon
