### Winemaker Notes

A great 'climat' on a south-east facing slope that is approaching Grand Cru in quality, it is generous and full-bodied with sumptuous fruit, great complexity, intensity and balance.

### Vineyard

Arguably Gevrey-Chambertin's most prestigious Premier Cru climat, Clos St Jacques is located on southeast-facing slopes with limestone-rich soils. Many argue that Clos St Jacques is of Grand Cru quality as its immediate neighbour is the Grand Cru Les Cazetiers.

### Winemaking

This wine is fermented in vats for 3-4 weeks and aged for 12-15 months in oak barrels before bottling.

### Food match

Try with homemade Beef Wellington
