Winemaker Notes

Located on the south-east facing slope near Clos Saint Jacques, the Estournelles Saint Jacques vineyard site is an esteemed Premier Cru climat, which also shares similarities with neighbouring Grand Crus sites resulting in rich complexity and depth of flavour.

Vineyard

Gevrey Chambertin is the northernmost of the great communes of the Côte de Nuits. There are 26 Premiers Crus and 8 Grands Crus. Half of the Premiers Crus of Gevrey lie scattered around the perimeter of the Grands Crus, the other half occupy a steep, southeast facing slope to the north, with calcareous clay soils.

Vintage

Conditions for 2014 started well before a violent hailstorm in June hit several communes in the Mâcon and Côte d'Or with devastating effects. Summer then continued to be unsettled but a period of dry weather in September returned the available grapes to good health and the grapes were harvested from 11th September onwards resulting in expressive red wines with intense freshness and elegant tannins.

Food match

A good match to Coq au Vin
