## Vineyard

Domaine Ferret is situated at the heart of the village of Fuissé and has long been a producer of some of the appellation's top cuvées. Founded in 1840, it was the first Domaine to begin bottling at the property shortly after the Second World War. Furthermore, the focus on vinifying each parcel of vines separately from a relatively early date allowed Ferret's owners to identify the top climates (vineyard zones).

## Food match

Great with seafood, grilled fish or vegetable tart.
