Santenay Clos de Malte Blanc

2022 6x75cl

Winemaker Notes

The white Santenay Clos de Malte is a rich and structured wine. It is elegant and fresh, with fruity, citrusy aromas and a hint of woody notes.

Vineyard

The village of Santenay is located in the southern part of the Côte de Beaune, just after Chassagne-Montrachet. The Clos de Malte is a 7 ha 'Monopole' (Louis Jadot is the sole owner) situated on the Climat Sous la Fée at the foot of the Montagne des Troix Croix. The Santenay Clos de Malte is mainly planted with Pinot Noir with a small hectare of Chardonnay situated on soil of limestone and clay.

Winemaking

Fermentation takes place in oak barrels, after which the wine is aged in casks for 12 months before being bottled.

Food match

Perfect with roast chicken and all the trimmings.
