# Chrysopée Blanc Sélection Parcellaire 2019 6x75cl

## Winemaker Notes

Complex on the nose with notes of fleshy fruit such (apricots, peaches), followed by a floral bouquet. Full of minerality and salinity with great length on the finish.

## Vineyard

The grapes come from vines growing in very old schist from the Primary era.

## Winemaking

Vinification is carried out by the pressing of whole bunches. After a light settling at 12°C for 24 hours, the wine goes into demi-muid barrels. Alcoholic fermentation lasts several weeks. Ageing in demi-muid barrels lasts six months with stirring up of the lees (bâtonnage) over the first two months.

## Vintage

An extremely hot vintage in the south of France, with rainfall at the end of the season providing much needed freshness.

## Food match
