Collioure Rouge 2016

Winemaker Notes

The nose is initially dominated by black fruit, blueberry and graphite notes, and then opens onto hints of spices and violet. A fresh and sophisticated palate of silky tannins. The blueberry notes make way for spicy notes that linger on a long-lasting salty finish with a hint of iodine. Great finesse and purity.

Vineyard

Cambrian mica-schist terraces, overlooking the sea in "lieu-dit" Taillelauque.

Winemaking

The harvest is destemmed without crushing prior to vinification. Extraction is carried out by pumping over the first week, then the following 4 weeks the extraction is carried out by slow infusion to build the wine's finesse.

Vintage

This year was full of surprises and will remain ingrained in our memories due to its unpredictable weather! It was a true winemakers' vintage and the month of September made it what it is. The northern reds show a classic and pure style, with exceptional potential.
