Côtes-du-Rhône Belleruche Rosé 2021

Winemaker Notes

Aromas of red fruits and grapefruit on the nose underpinned a lovely freshness on the palate.

Vineyard

Our Rose comes mainly from the right bank of the Rhône, from vines planted in loess and sandy soils, which are perfect for this wine.

Winemaking

The juice comes from a direct pressing and then is cold settled. The alcoholic fermentation is carried out at low temperature (16°C). Constant protection from oxygen to preserve the wine's aromatic potential. The wine is aged in stainless steel vats for 3 to 6 months.

Vintage

The 2021 in the Rhône Valley was a year that the winegrowers are unlikely to forget in a hurry. Despite a growing season that never let up for an instant, the work of 'man' will have revealed a vintage that has brought us wine profiles that we had almost forgotten existed. The balance found in the white Hermitage already lends them great minerality and wonderful tension. The profile of the reds is more ethereal than in recent years, showing remarkable aromatic complexity and a tannic structure characteristics of a true Syrah from the Northern Rhône Valley. Brightness, finesse and aromatic elegance are the hallmarks of this 2021 vintage. It follows in the footsteps of some of its glorious predecessors that possessed perfect maturity, great complexity and elegance.
