Côtes-du-Rhône Belleruche Rosé 2023 6x75cl

Winemaker Notes

Aromas of red fruits and grapefruit on the nose underpinned a lovely freshness on the palate.

Vineyard

Our Rose comes mainly from the right bank of the Rhône, from vines planted in loess and sandy soils, which are perfect for this wine.

Winemaking

The juice comes from a direct pressing and then is cold settled. The alcoholic fermentation is carried out at low temperature (16°C). Constant protection from oxygen to preserve the wine's aromatic potential. The wine is aged in stainless steel vats for 3 to 6 months.

Vintage

This fine season, with its dry start, cool spring and moderate heat until August, combined with good vineyard management, enabled the Grenache grapes to reach excellent ripeness. Early tasting of the grapes revealed aromas of fresh fruit with hints of strawberry and black cherry, heralding a great vintage for this variety.
