Winemaker Notes

An intense wine with blackcurrant and raspberry notes complemented by notes of white pepper. The wine is juicy, powerful and fruity on the palate with lovely roasted notes, and silky, delicate tannins.

Vineyard

It is made up of several major types of terroirs including pebbly clay soils, soils with layers of stones, stony clay terraces, stony silty-sand... All these soils provide the vine with a constant water supply and, at night, release the heat stored up by the pebbles during the day. The grapes are picked at phenolic maturity and are mainly harvested Machine.

Vintage

M. CHAPOUTIER had to “keep calm and carry on” throughout this season of drought and heat to constantly adapt the winegrowing work right up to the last minute; responding fast to curb the vegetation when the welcome rains arrived and remaining patient to allow the grapes to reach full maturity. All this made 2022 an astonishing vintage that, as it turned out, was more luminous than sunny.

Food match

Young milk-fed lamb, pasta putanesca or vegetable quiche.
