# Crozes-Hermitage Les Varonniers 2021 6x75cl

## Winemaker Notes

Nose: very ripe red fruits, blackcurrant and raspberry, then liquorice. Palate: ample and solid, vanilla and jam finish.

## Vineyard

The granitic slopes are oriented South-West at the end of the Hermitage hill and on fluvial terraces on the "Chassis" plot.

## Winemaking

Vinification is made in small concrete tank. Fermenting is long and lasts around one month to polymerize tannins. Only free-run juice is used. This wine is entirely matured in oak casks (with a percentage of new ones) from 14 to 18 months.

## Food match

Great with duck
