Côtes de Provence Orsuro Grand Ferrage Rosé 2020 6x75cl

Winemaker Notes

This Provence Rose has complex aromas of peach, citrus and exotic fruit. On the palate flavours of citrus, grapefruit and white-fleshed fruit, showing a subtle character and underpinned by a fine, acidity which adds structure.

Vineyard

Located at the foot of Sainte-Victoire and Aurelien mountains in the commune of Pourcieux, the parcels have a wide array of exposures and terroirs creating complex wines.

Winemaking

Harvesting is carried out at night, Machine to keep the grapes as fresh as possible. Short, cold maceration on the skin, followed by direct pressing. The grapes are protected against oxygen during this process to preserve the aromatic precursors. Low temperature alcoholic fermentation.

Vintage

A perfect year - grapes were healthy and showed good concentration and balance.
