Winemaker Notes

The wine has fragrances of red fruit with notes of blackberries, blackcurrants and cherries. The palate is rich, subtle and elegant, it remains supple and easy to drink.

Vineyard

Clay-limestone soils with varying amounts of sand. Shallow, well-draining soil. Parcels located in the villages of Pourcieux and Pourrières at the feet of Mount Aurélien and Mount Sainte-Victoire. Mediterranean climate.

Winemaking

Harvest is carried out Machine at night to preserve freshness and aromas. The grapes then go into stainless steel vats. After a long maceration, the wine is aged in vats for several months.

Vintage

The growing season began slowly after a wet Autumn and cold winter. Budburst was delayed until mid-April and was followed by a warm May and record-breaking temperatures in July and August. Yields were below average but maintained quality thanks to the cooler summer nights.

Food match

Goes perfectly with lamb, game and meat in sauce.
