Winemaker Notes

A beautifully mineral nose with graphite, cherry and blackberry notes. The palate is soft, rich and elegant with a long-lingering finish and aromatic notes reminiscent of the granite terroir.

Vineyard

Brown soils derived from coarse-grained, black mica granite, fractured and locally altered. The bunches are cut then transported to the winery in small crates.

Winemaking

Alcoholic fermentation is carried out in a small, 30 HL, concrete vat with long maceration for around 5 weeks. Entirely in barrels for around 20 months period (25% new barrels).

Vintage

An impressive Rhone vintage, with wines of impeccable balance. High temperatures proved a challenge for growers in the northern Rhone but some rain later in the season allowed for freshness to come through.

Food match

Try with fish in tapenade sauce, small game, lamb Cooked pork meats and soft cheeses, goat's cheese
