# Bila-Haut V.I.T. 2018 6x75cl

## Winemaker Notes

An expressive and complex wine with aromas of very ripe black fruits (elderberry & blackberry) along with some spicy scents (pepper & Garrigue). The palate has a great attack, with tight but silky tannins. You will notice the dominance of spicy scents, a lot of richness, a good length and very ethereal finish.

## Vineyard

Grapes are hand-harvested, the Grenache is grown on gneiss soil & the syrah on calcareous clay.

## Winemaking

The extraction is only performed by punching of the cap during a long maceration which lasts at least 4 weeks.

## Vintage

The Languedoc Roussillon region bucked the trend this year. Unlike most French wine regions, the Roussillon was spared disastrous weather and extreme temperatures. Production in 2017 was higher than in 2016 and the vintage is of great quality.

## Food match

Grilled and Roasted Red Meats

Catalan-style saddle of lamb
