Winemaker Notes

An expressive and complex wine with aromas of very ripe black fruits (elderberry & blackberry) along with some spicy scents (pepper & Garrigue). The palate has a great attack, with tight but silky tannins. You will notice the dominance of spicy scents, a lot of richness, a good length and very ethereal finish.

Vineyard

Grapes are hand-harvested, the Grenache is grown on gneiss soil & the syrah on calcareous clay.

An extremely hot vintage in the south of France, with rainfall at the end of the season providing much needed freshness.
