Winemaker Notes

Citrus aromas and notes of grapefruits and ripe fruits on the nose. Palate: broad and fruity on entry. Lovely aromas of ripe fruit, enhanced by a nice acidity, giving the wine good length on the palate.

Vineyard

In order to achieve a balanced and complex vintage, the vineyards we have selected are cultivated on clay and calcareous hillsides. This type of location provides favourable sun exposure conditions on the hillsides as well as sufficient water reserves in the limestone earth so that the vineyards can reach its desired maturity.

Vintage

With a historically dry and mild winter (barely 50 mm of rain by the end of March), the vines came to life earlier. It was a stressful start of season, with the spectre of spring frost looming large. Fortunately, we managed to get through the frost in this sector and bud-burst spread evenly through the month of May. At the start of the season, bunches began to form nicely. Spring was cool and rainy. Vegetative growth was perfect. Ideal conditions for our new Grenache vine planted in April.
