Winemaker Notes

My first experience in McLaren Vale was in 1962, when as a student winemaker I worked a vintage in the region. It was then that began for me a lifelong attraction for the country side of the Southern Vales, the rolling hills and wide flat valleys along with the proximity to the Southern Ocean combined to give the region a special sense of place. Add to this the wines – the plump luscious Shiraz, the rich robust Cabernet Sauvignon and the powerful yet delicate Grenache and you have an irresistible heady mix which keeps calling you back. We have a vineyard in McLaren Vale quite near the village, a special place that took half a lifetime to find. Old vines, some more the 80 years of age planted on a South East facing slope, protected from strong winds and facing the gentle moving sun. The vines (Shiraz and Cabernet Sauvignon) are planted in three distinct soil types at the top middle and bottom sections of the hillside, so we find different characteristics from each of the vineyard sections giving added complexity and interest to the wine we make. We farm in a sustainable manner with passion and care, also on the property we have a small wildlife refuge and large beautiful rose garden – the noble pasture of the grapevine. The vineyard is our special place but McLaren Vale is truly our 'Home' vineyard.

Vineyard

The plot is planted on soil that is approximately 60cm of sandy loam over 10cm of red clay on top of limestone shale, with a slight easterly incline.

Winemaking

Fermented in old oak with reasonable solids, blended soon after ferment, fined and held cold before filtering to bottle dry, fresh and savoury. Age for 3-5 years.

Vintage

An excellent vintage, with good yields of above average quality. After a warm autumn and mild summer, McLaren Vale was terrific, delivering well-balanced vines, good crop levels of fantastic colour and flavour. 2024 will be remembered as a great year for both winemakers and grape growers alike, good weights, great wines and even better optimism!
