

Helmsman Pinot Grigio 2023

6x75cl

Winemaker Notes

Typically fresh and fruity, with soft acidity and a mouth-watering finish.

Vineyard

Containing some of the higher, cooler vineyard sites in the state, the Central Ranges is an important and recently designated wine-growing zone.

Winemaking

The fermentation took place partially in tanks and oak barrels, which enables the oak to play a supporting role without overpowering the delicate fruit character.

Vintage

2023 in the Central Ranges showed excellent purity of fruit with beautiful natural acidity.

Food match

A lovely aperitif with an oregano and tomato bruschetta

Grapes

85.6% Pinot Grigio
14.4% Blend of Others
