

Signature Series Sauvignon Blanc/Semillon 2024 6x75cl

Winemaker Notes

Juicy, fresh fruit salad flavours are backed by crisp citrus notes in the lively dry white blend of Sauvignon Blanc and Semillon.

Vineyard

Climatically, Australia's most reliable wine region, not to mention one of its best known, Margaret River is the ideal home for the Bordeaux varietals Cabernet Sauvignon, Sauvignon Blanc & Semillon, producing distinctive wines of powerful structure and finesse. Selected parcels of Sauvignon Blanc (87%) and Semillon (13%) from Western Australia's premier wine-growing region.

Winemaking

Parcels fermented separately, without oak maturation and blended to deliver a wine with a little more mid-palate weight than our 100% Sauvignon Blanc – and with a distinctive citrus edge to the fruit spectrum. We're pleased with its crispness and balance.

Vintage

The 2024 growing season presented a mix of favourable conditions for wine grape production, characterised by a cool, wet spring followed by a warm and dry summer. Spring began with cooler-than-average temperatures. Margaret River experienced a shift to warmer, drier conditions ideal for grape ripening.
