Beaujolais Imperial Rosé 2021 6x75cl

Winemaker Notes

This Rose is made from Gamay. It is expressive with a nose of small red berries.

Vineyard

Dominique and his son Nicolas cultivate their vines naturally according to the Terra Vitis requirements, so as to preserve the biological balance of the soil. Vines are grown in an old fashioned manner, with grass between rows and Green Harvest being practiced to lower yields and to increase the quality of the grapes.

Winemaking

Made by the 'saignée' method, this wine gets its beautiful salmon colour from contact with the grape skins.

Vintage

A slightly challenging vintage for Beaujolais, producing lower yields with wines clean and crisp in style.

Food match

Try with a fresh salad and crusty bread.
