# Bourgogne Chardonnay 'Clos de la Chapelle' 2022 6x75cl

## Winemaker Notes

An aromatic and fruity Chardonnay - fleshy and refreshing with an excellent finish. Beautiful with shellfish dishes.

## Vineyard

The Domaine Romy is a property of 30 hectares in the area of the 'Pierres Dorées' in the south of Beaujolais. This Chardonnay is made from vines located on Morancé hill.

## Winemaking

The grapes are pressed and a controlled, cool fermentation takes place immediately in stainless steel tanks. Malolactic fermentation is only partial to retain some of the crispness. Bottling happens after 8 months.

## Food match

Try it as an aperitif or on fish and shellfish dishes.
