# Bourgogne Pinot Noir Vieilles Vignes 2019 6x75cl

## Winemaker Notes

Ripe morello cherry and black stone fruits fill the nose, enhanced by some hints of delicate spice. A rich mouth with silky tannins, it is expressive and lingering.

## Vineyard

The 3 hectares of Pinot Noir, mainly looking east, are planted in the village of Cogny, where soils are a mix of clay, rock, chalk and siliceous pebbles.

## Winemaking

Traditional Burgundian vinification takes place with destemmed grapes and maturation on fine lees.

## Vintage

2019 was a 'mixed bag' vintage with an overall loss of 25% in Beaujolais against full crop volumes. Beaujolais, Beaujolais-Villages and Moulin à Vent suffered from widespread frost in April. This was followed by bad flowering due to June's record temperature variation from 3 to 42°C. On 18th of August southern Beaujolais was hit by a hail storm, causing up to 50% loss of crop – Beaujolais-Villages/ Coteaux Bourguignonnes appellations were affected the most. August was also wet, but dry and fresh conditions in September allowed the grapes to slowly ripen. Harvest began on 9th September.

## Food match

Goes perfectly with grilled meats, meats terrines and soft cheese.
