Brouilly Tradition 2022

6x75cl

Winemaker Notes

Beautiful ruby colour with a powerful and delicate bouquet of peony and red fruits. The silky tannins bring roundness and a lot of charge.

Vineyard

Facing Mount Brouilly, the Château and its vines spread southwards over a purple granite hill - contrary to the rest of Brouilly, which is mostly planted on sandy soil.

Winemaking

Traditional Burgundian vinification takes place with destemmed grapes and maturation on fine lees.

Food match

Enjoy with slow cooked lamb or beef
