Mâcon-Villages 2022 6x75cl

Winemaker Notes

A classic Mâcon-Villages from mainly limestone vineyards, aged on its fine lees for 6-8 months. Lively and charming with floral and fruity characters, with notes of lemon fruit on the finish.

Vineyard

The wine-producing soil of Mâconnais is mainly soft limestone over layers of marl, loam and broken pebbles.

Winemaking

The grapes are crushed and pressed to extract the must, followed by low temperature-controlled fermentation. Ageing on the lees for 6-8 months prior to bottling.

Vintage

The 2022 Beaujolais vintage was small but excellent. A cold, dry winter and frost in April, but warm May ensured successful flowering and fruit set.

Food match

A lovely accompaniment to shellfish, fish and starters and excellent as an apéritif.
