Saint-Amour 2023 6x75cl

Winemaker Notes

Nice luscious fruit flavours of strawberry, cherry and blueberry, accompanied by an indulgent nose of violet, liquorice and white pepper. Full-bodied and juicy on the palate.

Vineyard

The vines are grouped around the property facing south and south-east. They enjoy a wide diversity of terroirs, mainly with stony soils composed of sandstone, blue stone, clay and granite sand.

Winemaking

The grapes are vinified in whole clusters or destemmed in cement vats. The ancestral technique used, requires a special wooden grill to keep the 'hat' submerged. This gentle extraction helps provide structure, whilst retaining the elegance of the terroir.
