Sauvage à Poil Vin Sans Soufre, Régnié 2020 6x75cl

Winemaker Notes

A fruity, pure and mineral wine with violet floral notes, a hint of dark berry fruits and a black pepper finish. The tannins are well-integrated with a balance on the fresh finish.

Vineyard

From a 2ha plot called 'La Sibérie', located in the Régnié appellation and planted in 1911. These old vines produce tiny yields of small, but very healthy and strong berries.

Winemaking

Traditional whole-bunch vinification, followed by maceration for about 25 days. For this cuvee we use a natural method with no added sulphites, to highlight the authenticity of this terroir.

Vintage

A relatively dry and mild winter combined with a warm start to spring led to an early bud burst. We escaped spring frost on the 1st and 2nd of April with temperatures of -2 °C. Our vineyards were not impacted because the soil was dry. After a few cooler days in mid-May, flowering was quickly over, under ideally dry and warm weather. The summer started well but with a significant water deficit. July 2020 was the third driest July since 1964 (after 1993 & 2015). Fortunately, there was a significant rainfall on the 15th of July followed by a heat wave from the 20th of July with a few storms around the areas of Saint-Amour and Juliéas. Yet, there were big disparities in rainfall from one village to another. Both heat waves that were recorded from July 25th to August 2nd and from August 10th to 21st, followed by 2 days of strong southerly wind which withered or even parched some grapes, especially the ones with western exposure. Rainfall on 29th and 30th August arrived just at the right time to fill the grapes just before harvest. The resulting grapes were beautiful, the vineyards were very healthy and the vines completed phenolic maturation peacefully. The harvest continued with sunny days and cool nights. Perfect conditions to allow for a good or perhaps even great vintage.

Food match

Perfect with paté and fresh baguette.
