Sauvage à Poil Vin Sans Soufre, Régnie 2021 6x75cl

Winemaker Notes

A fruity, pure and mineral wine with violet floral notes, a hint of dark berry fruits and a black pepper finish. The tannins are well-integrated with a balance on the fresh finish.

Vineyard

From a 2ha plot called 'La Sibérie', located in the Régnie appellation and planted in 1911. These old vines produce tiny yields of small, but very healthy and strong berries.

Winemaking

Traditional whole-bunch vinification, followed by maceration for about 25 days. For this cuvee we use a natural method with no added sulphites, to highlight the authenticity of this terroir.

Food match

Grilled and Roasted Red Meats

Perfect with paté and fresh baguette.
